## **VII. HOW THE FINALISTS AND WINNER ARE DESIGNATED**

Three video clips will be shortlisted as finalists based on assessment by a jury made up, by internal decision of the Organiser, of qualified trainers with at least 10 years' experience in teaching English as a foreign language.

After the three finalist contestants have submitted the standard application form for admission to the CELTA course, the jury will consider, on the one hand, the mark the finalists received and, on the other, whether their standard application for CELTA was successful, and will thereby determine the winner.

The assessment and marking conducive to the designation of the finalists will take place between 1 May and 2 June 2022, while the winner will be determined between 10 and 17 June 2022.

Assessment by the jury will be carried out as follows:

- each video clip submitted will receive a mark, from 1 (the lowest) to 10 (the highest)

  - it has quality form and content

The Contest's finalists and winner will be notified directly by email and/or phone, and announced on the sites mentioned under point II above.

Given the transparent publication of the Contest's theme, terms, rules, steps and deadlines, given the assessment by a jury made up of CELTA/DELTA-qualified experts from both Romania and abroad, no appeal is allowed on this Contest's results, the designation of the finalists and the winner being final and binding.

If the persons designated Contest finalists and winner do not respond within maximum 3 working days since notification, or if they refuse the prize, a new assessment round will be organised to determine the next-ranked video clip, and its author will be designated the new finalist/winner according to the assessment procedure detailed above.
